

CURSO TEÓRICO AVANÇADO **EM CIRURGIA CRANIOFACIAL**

23 e 24 de agosto de 2019

São Paulo, Brasil

Venue: Medtronic Brasil – São Paulo Tower Bridge Corporate
Av. Jornalista Roberto Marinho, 85 - Cidade Monções, São Paulo

Organization

Dr. Cassio Eduardo Raposo do Amaral – SOBRAPAR

(Presidente ABCCMF – Associação Bras. de Cirurgia Crânio-Maxilo-Facial)

Dr. Ricardo Santos de Oliveira – Livre Docente – FMRP USP / Neurocirurgião HCRP-USP

(Presidente eleito Sociedade Brasileira de Neurocirurgia Pediátrica – 2019-2021)

Scientific Committee

Dr. Ricardo Cruz | Dr. Nivaldo Alonso | Dr. Enrico Ghizoni | Dra. Tatiana Protzenko

International Guests:

Prof. Dr. James Tait Goodrich, M.D, PhD

Professor, Department of Surgery (Plastic and Reconstructive Surgery) Director, Pediatric Neurosurgery, The Leo M. Davidoff Department of Neurological Surgery The Craniofacial Center Children's Hospital at Montefiore

Prof. Dr. David A. Staffenberg, M.D., D.Sc. (Hon), FACS

Professor of Plastic Surgery, Neurosurgery & Pediatrics; Vice Chair of Pediatric Plastic Surgery; Adult & Pediatric Craniofacial Surgery; Wyss Department of Plastic Surgery; New York University Langone Health; Hassenfeld Children's Hospital
U.S.A.

CURSO TEÓRICO AVANÇADO EM CIRURGIA CRANIOFACIAL

23 e 24 de agosto de 2019

São Paulo, Brasil

Friday, August 23th 2019

Venue: Medtronic Brasil

São Paulo Tower Bridge Corporate - Av. Jornalista Roberto Marinho, 85 - Cidade Monções, São Paulo

08:30 - 09:00 **Welcome and opening ceremony**
Dr. Ricardo Santos de Oliveira – SBN-Ped
Dr. Cássio Eduardo Raposo do Amaral – CMF

Session I – Trauma

Chairpersons: Drs. Daniel Cardeal / Rogério Abreu

09:00 - 09:15 **Zygomatic Fractures
(Include Orbital-Zygomatic Fractures)**
Dr. Daniel Mello

09:15 - 09:30 **Skull Base complex craniofacial trauma**
Dr. Jorge Wladimir Junqueira Bizzi

09:30 - 09:45 **Pediatric craniofacial trauma**
Dr. Dov Goldenberg

09:45 - 10:05 **Discussion**

Session II – Congenital Deformities I

Chairpersons: Dra. Nelci Zanon / Dr. Endrigo Bastos

10:05 - 10:20 **Genetics in craniofacial syndromes**
Dr. Maria Rita Passos Bueno

10:20 - 10:35 **Indication of hypertelorbitism correction techniques**
Dr. Cassio Eduardo Raposo do Amaral

10:35 - 10:50 **Reconstruction of large Myelomeningocele Defects**
Dra. Tatiana Protzenko

10:50 - 11:10 **Discussion**

11:10 - 11:40 **Chairperson: Dr. Ricardo Santos de Oliveira**

International Guest: Prof. Dr. James Tait Goodrich
(1) Conference – History of craniofacial surgery from the past to reality.

11:40 - 12:10 **Chairperson: Dr. Cassio Eduardo Raposo do Amaral**

International Guest: Prof. Dr. David A. Staffenberg
(2) Conference – Midface Osteotomies: Anatomy, Technology, Techniques

12:10 - 12:25 **Questions**

12:25 - 13:40 **Lunch**

CURSO TEÓRICO AVANÇADO EM CIRURGIA CRANIOFACIAL

23 e 24 de agosto de 2019

São Paulo, Brasil

Session III – Congenital Deformities II – Non syndromic craniosynostosis

Chairpersons: Dra. Patrícia Dastoli / Dr. Ricardo Cruz

13:40 - 13:55 **Fronto-orbital advancement in non-syndromic craniosynostosis**

Dr. Ricardo Santos de Oliveira

13:55 – 14:10 **Alternative treatment with spring for non-syndromic craniosynostosis**

Dra. Vera Lucia Nocchi Cardim

14:10 - 14:25 **Long-term results in non-syndromic traditional techniques**

Dr. Hamilton Matushita

14:25 - 14:45 **Discussion**

14:45 - 15:45 **Chairperson: Dr. Rodrigo Dornelles**

(3) Conference: Craniosynostosis Repair: Techniques & Timing (30 minutes)

International Guest: Prof. Dr. David A. Staffenberg

Chairperson: Dr. Charles Kodangesky

International Guest: Prof. Dr. James Tait Goodrich

(4) Conference – tema: 3D printed models for preoperative surgical planning of craniofacial anomalies (30 minutes)

15:45 - 16:00 **Questions**

16:00 - 16:30 **Coffee break**

Session IV – Congenital deformities III – Syndromic craniosynostosis

Chairpersons: Dr. Aloysio Costa Val/ Dr. Renato Freitas

16:30 - 16:45 **Planning for frontofacial advancement in syndromic craniosynostosis: pearls and pitfalls**

Dr. Fernando Melhen

16:45 - 17:00 **To shunt or not to shunt in syndromic craniosynostosis**

Dr. Enrico Ghizoni

17:00 - 17:15 **Craniofacial distraction for syndromic craniosynostosis**

Dr. Nivaldo Alonso

17:15 - 17:35 **Discussion**

17:35 - 18:05 **Chairperson: Dr. Marcelo Freitas Lins Silva**

(5) Conference – Craniofacial advancement for syndromic craniosynostosis – Prof. Dr. James Tait Goodrich

20:00 **Dinner**

CURSO TEÓRICO AVANÇADO EM CIRURGIA CRANIOFACIAL

23 e 24 de agosto de 2019

São Paulo, Brasil

Saturday, August 24th 2019

Session V – Complications

Chairpersons: Dr. Max Domingues/Dr. Carlos Eduardo Barros Jucá

- 08:00 - 08:15 **CSF leakage after skull base trauma**
Dr. Sergio Cavalheiro
- 08:15 - 08:30 **Craniofacial Osteomyelitis**
Alexandre Canheu
- 08:30 - 08:45 **Complications after distraction for syndromic craniosynostosis Le Fort III and Monobloc – Prevention and Management**
Dr. Marcelo Volpon Santos
- 08:45 - 09:05 **Discussion**
- 09:05 - 09:40 **Chairperson: Dr. Sérgio Miranda**

(6) Conference – Craniopagus 14 Years Later: A Review of Plastic Surgery Planning
Prof. Dr. David A. Staffenberg
- 09:40 - 10:05 **Chairperson: Dr. Jayme Farina Jr.**

(7) Conference – Craniophagus surgery
Prof. Dr. James Tait Goodrich
- 10:05 - 10:40 **Simulation in craniofacial surgery – demonstration**
Dra. Giselle Coelho (Broadcasting auditorium)
- 10:40 - 11:00 **Questions**

Session VI – Reconstruction/approaches

Chairpersons: Dr. Antonio Bellas / Dr. Arturo Capes

- 11:00 - 11:15 **Endoscopic skull base approach**
Dr. Carlos Clara
- 11:15 - 11:30 **Cranioplasty with alloplastic material**
Dr. Pablo Marecevic
- 11:30 - 11:45 **Craniofacial reconstruction with microsurgery**
Dr. José Marques Farias
- 11:45 - 12:05 **Discussion**
- 12:05 - 12:40 **Chairperson: Dr. Cesar Augusto Raposo do Amaral**

(8) Conference: Transpalpebral Craniotomy for Intracranial Aneurysm Management: Applying Craniofacial Techniques
Prof. Dr. David A. Staffenberg
- 12:40 - 13:00 Award session / closing remarks
